THE UNKNOWN
(Poem written by Muhammad Zia in Grade 6)

The streets are empty, there are no sounds to be heard,
The World is scared, the Pandemic has occurred.
All we hear, read and speak is COVID,
Oh gosh! This makes me so livid.

Remember to sanitize and wear the proper gear,
Do that, there is Hope to eliminate fear.
Stay safe, Stay home in these scary times,
Make sure to pray for the people with no pennies or dimes.
Care about those in need,
Don't be consumed by greed.

Let our Nation stand together and remain strong,
For only then, will we prosper and live long.
Thank you, to all the selfless hearts who help our people night and day,
You are remarkable, I must say!
Come on World, we can do this together,
United our Nations shall stand forever!

Let us not forget the positives of this Quarantine,
It is healing the World, making it clean and green.
It has taken people from their busy lives,
To STOP and realize, that only with GOD and Prayers we can strive.

COVID, I pray that you go away
And never come back on any day.
