\* Earnings per share and headline earnings per share for the comparative period have been adjusted downwards by 0,3 cents compared to the audited annual financial statements for the year ended 31 December 2013. This is due to the retrospective adjustment of the 2014 rights offer undertaken. The adjustment to basic and diluted weighted average number of shares in issue is an increase of 6.6 million shares due to the bonus element contained within the rights offer.

#### Commentary

Curro Holdings Ltd ("Curro" or "the Company" or "the Group") opened in January 2015 with 42 campuses and the board is pleased to announce that Curro has achieved its pre-listing objective of at least 40 campuses, five years ahead of its original target of 2020. Curro has grown by an additional 8 758 learners to 36 021 learners since January 2014.

The Group, through its business models (details found on our website; www.curro.co.za), caters for learners from three months old to Grade 12. Curro also has a training institute focused on educator training at a tertiary level.

# Balance sheet and funding

In 2014 Curro raised R500 million in long-term funding, drew down on R210 million on facilities at Meridian and raised equity of R600 million through a rights offer.

As part of the Group funding and growth plan, Curro plans to raise R740 million through a fully underwritten rights offer. In terms of the rights offer, shareholders will receive, for every 11 shares held, the right to acquire one additional share at R25 per share. This represents a 23% discount to the 30-day VWAP as at 16 February 2015. The rights offer will take place during April 2015 and information on the rights offer will be communicated in due course. Curro also plans to raise up to R700 million in the debt markets.
