# >Welcome

Dear Parents and Guardians

Learners, parents, grandparents, new families and those returning – we are pleased and proud to welcome you to CURRO.

We look forward to a productive partnership with you, to help your children achieve their potential and recognise that to be successful at school, they need your support. Our strong partnership will make a significant difference to your child during their school career. We share the responsibility for the future of southern Africa's young people and want you to know that we are with you on this path.

Families are drawn to CURRO for several reasons; chiefly, our educational, cultural and sporting approach which encourages strong interaction between learners and teachers. Parents who are looking for a place where their children will be valued and challenged, rather than get lost in the crowd, have found that with us.

Parents generally want consistency between home and school and, at CURRO, the balance between high standards and a life of promise is essential for the next generation. The academic programmes at CURRO are varied and rigorous. Learners engage, every day, in a number of subject areas; they interact digitally with trendsetting materials. Through training in habits of mind and attention, CURRO learners are equipped with the tools they need for a lifetime of learning and achievement.

Please know that your children are in good hands and will be encouraged and cared for daily by our dedicated members of staff.

We appreciate your trust and thank you for the honour of educating your children.

Kind regards

CURRO Executive Team

Please note that **cash payment at school is not accepted as a form of payment for fees.**

### DEBIT-ORDER COMPLETION

If you are not yet paying by debit order, we request that you do so as soon as possible since this substantially reduces the administrative burden when identifying deposits into our bank account and allocating them to the correct learner accounts. We rely on predictable monthly cash flows to manage our affairs.

Please complete a debit-order form and deliver it by hand to the school's bursar before **3 December 2023**. The form is available from the school and on the Curro website at [www.curro.co.za](http://www.curro.co.za).

### BANKING DETAILS

<b>Name of account</b>	Curro Waterfall
<b>Bank</b>	Standard Bank
<b>Account number</b>	270 760 504
<b>Branch code</b>	051 001
<b>Reference</b>	<i>Your family code</i>

We strongly recommend that parents setup up a debit order for their monthly commitments, such as school fees and aftercare (if your child is enrolled in aftercare), or any other monthly levies that may be invoiced to your account.

- A debit order can assist in ensuring that your monthly commitment is met timeously.
- This can prevent your account from falling into arrears.
- For your convenience, there are multiple debit-order dates available from which to choose.

**Please note the following:**

- If the debit order is dated for the 1st or 2nd of the month, the deductible amount will be for that month's school fees. For example, on 2 February the school fees for February will be debited.
- If the debit order is dated for any date after the 2nd of the month, the deductible amount will be for the following month's school fees. For example, on 16 or 26 February the school fees for March will be debited.
