## PAYMENT METHODS 2024

METHOD 1	METHOD 2
<b>Annual payment in advance, due by 31 January 2024 (to qualify for 5% saving)</b>	<b>Debit-order payments</b> , which can be scheduled monthly in advance x 12 months as per dates indicated on the debit-order form.

### YOUR FAMILY CODE IS REQUIRED AS THE REFERENCE FOR ALL PAYMENTS.

Payments made without family codes cause administrative delays in updating account information. An admin surcharge of R330 will be debited to your account each time payments are received without the family code or into the incorrect bank account, as these must be traced and reallocated to the correct account.

Please note that **cash is not accepted as a form of payment for fees** at the school.

## DEBIT-ORDER COMPLETION

If you are not yet paying by debit order, we request that you do so as soon as possible since this substantially reduces the administrative burden when identifying deposits into our bank account and allocating them to the correct learner accounts. We rely on predictable monthly cash flows to manage our affairs.

Please complete a debit-order form and deliver it by hand to the school's bursar before **3 December 2023**. The form is available from the school and on the Curro website at [www.curro.co.za](http://www.curro.co.za).
