SECUNDA

>Welcome

Dear Parents and Guardians

Learners, parents, grandparents, new families and those returning – we are pleased and proud to welcome you to CURRO.

We look forward to a productive partnership with you, to help your children achieve their potential and recognise that to be successful at school, they need your support. Our strong partnership will make a significant difference to your child during their school career. We share the responsibility for the future of southern Africa's young people and want you to know that we are with you on this path.

Families are drawn to CURRO for several reasons; chiefly, our educational, cultural and sporting approach which encourages strong interaction between learners and teachers. Parents who are looking for a place where their children will be valued and challenged, rather than get lost in the crowd, have found that with us.

Parents generally want consistency between home and school and, at CURRO, the balance between high standards and a life of promise is essential for the next generation. The academic programmes at CURRO are varied and rigorous. Learners engage, every day, in a number of subject areas; they interact digitally with trendsetting materials. Through training in habits of mind and attention, CURRO learners are equipped with the tools they need for a lifetime of learning and achievement.

Please know that your children are in good hands and will be encouraged and cared for daily by our dedicated members of staff.

We appreciate your trust and thank you for the honour of educating your children.

Kind regards
